WHY SUPPORT TAU TUG?

For over a decade, ATO's Tau Tug event has proudly supported the Cystic Fibrosis Foundation, inspired by their brother, John Pickering, who was living with cystic fibrosis. When John's fraternity brothers learned of his battle with CF, they rallied together, committed to raising funds in his honor, and contributing to the fight for a cure. John remains the at heart of the UGA ATO chapter's efforts, motivating his brothers to push forward with unwavering hope and determination. ATO is not just striving to find a cure for John, but for every individual living with CF.

Because of the Cystic Fibrosis Foundation, advancements for people with cystic fibrosis have been extraordinary. Just a decade ago, someone born with CF was expected to live to 40 years old. Today, thanks to groundbreaking research funded through the CF Foundation, the average life expectancy is now 62 years. John's life has exceeded every expectation, filled with hope, milestones, and dreams realized.

The remarkable progress made by the CF Foundation stands as proof of what's possible when communities like ATO come together. The brothers of ATO remain steadfast in their mission to help CF stand for Cure Found.

TAU TUG'S FUNDRAISING EFFORTS BENEFIT CFF'S WINE & ROSES GALA

THE WINE & ROSES GALA

The Wine & Roses Gala began in 2000 and for 26 years has been an evening that both celebrates progress and further supports the quest for a cure for cystic fibrosis. Thanks to our outstanding supporters, over \$10 Million has been raised since the event's inception, contributing to the mission of the Cystic Fibrosis Foundation. Wine & Roses is a truly elegant evening of dinner and dancing at the Atlanta Athletic Club in Johns Creek. The evening begins with a champagne reception and is followed by a seated dinner with wine pairings, an incredible live and silent auction, and fun entertainment with live music and dancing until midnight.

Join on October 24, 2026 at the Atlanta Athletic Club as we wine and dine for a cure at our 27th annual Wine & Roses Gala.

THE NIGHTCAP

When the final toast has been made at the Wine and Roses Gala, the celebration is just getting started! The Night Cap, presented by Tomorrow's Leaders, whisk you away to the Oz Dust Ballroom, where magic fills the air and young professionals join the evening for an unforgettable evening of music, mission, and making connections. This isn't your average after-party—it's a spellbinding mix of glamour, glitter, and purpose.

Join fellow dreamers, doers, and dazzling supporters as we dance the night away in celebration of the progress we've made and the hope that still lies ahead for those living with cystic fibrosis.

The Cystic Fibrosis Foundation, a 501(c)(3) nonprofit organization, has unrestricted financial reserves of about 11 times its 2025 operating budget. These reserves are largely a result of the Foundation's successful venture philanthropy model, through which we have raised and invested hundreds of millions of dollars to help discover and develop breakthrough CF therapies. These funds and any future revenue from our model are reinvested into the CF Foundation's mission to cure cystic fibrosis and to provide all people with CF the opportunity to lead long, fulfilling lives.
